REGIONAL EVENT

- Region V Fall Symposium
September 26-27 Fargo,ND

Career Advancement

An ASCLS membership grants you access to an entire professional network within the field of laboratory sciences. ASCLS provides learning opportunities at the state level to improve/retain your technical knowledge and maintain certification.

Fun social events are planned to network in a casual environment.

ASCLS provides dynamic leadership and promotes all aspects of clinical laboratory science, education, and management to ensure excellent, accessible cost-effective laboratory services. The society advances high standards of practice and professional competence through its conferences, publications and education programs.

Mission

The mission of ASCLS is to make a positive impact in health care through leadership that will assure excellence in the practice of laboratory medicine. The Minnesota chapter of the ASCLS organization provides leadership and promotes all aspects of clinical laboratory science practice, education and management at the state level.
